admission process

The admission process includes the following steps:

- A student or their representative sends completed registration form to IH
- IH checks availability of the course and if admission criteria are fulfilled and responds if any clarification of enrollment detail is required
- If there is a minimum level required for the course, IH will ask for credentials to prove the student's level of English. If no sufficient credentials are available, IH may ask the student to complete the IH online test. If the test does not come up with a clear result or there are any doubts about the level, IH may conduct further assessment via a skype or telephone interview.
- If the student can be accepted into the program, IH sends the invoice(s) and a confirmation email to the student or/and their representative together with the student contract and a link to the IH policies. The student will be required to sign the contract and to return it to IH before the start of the course.
- Payment needs to be made: Non-refundable registration placement fees are due at the time of registration with the balance due at least 21 days prior to the start of your course.

Acceptable forms of payment include:

Bank Transfer, Bank Draft, Money Order, Canadian Cheque, Visa, Master Card, AMEX, JCB, Interac, Cash or Union Pay. (\$2% surcharge for credit card payments, \$5000 limit for credit card payments)

All bank charges must be paid by the payer.

- IH will send out the Letter of Acceptance and arranges extra services as required (accommodation, airport transfer, medical insurance) and sends out the details at least 21 days before the course starts but only after agreed payment has been received.
